JANUARY 2

LITE Lab

Come on in to the LITE Lab for a variety of STEM challenges.

MNH&S: 1:30 to 2:30 p.m.

Self-Portraits

Look closely at that beautiful person staring at you in the mirror! Learn some techniques and have fun while you try to capture your features and your personality through the creation of a self-portrait.

DECM: 3 to 4 p.m.

JANUARY 9

LITE Lab

Come on in to the LITE Lab for a variety of STEM challenges.

MNH&S: 1:30 to 2:30 p.m.

WWII Soldier's Duffle

Look through a WWII soldier's duffle pack to discover what types of items, such as clothes, protective gear and food were carried to the battle front.

CHM: Noon to 1p.m.

Dan Masks

Look at some of our African Dan Masks up close and make one of your own.

DECM: 3 to 4 p.m.

JANUARY 16

Aquatic Insects

See local aquatic insects that inhabit our nearby streams, rivers and lakes.

MNH&S: 1:30 to 2:30 p.m.

WWII Soldier's Duffle

Look through a WWII soldier's duffle pack to discover what types of items, such as clothes, protective gear and food were carried to the battle front.
