

# March Home School Museum Mondays

FREE with museum admission

## MARCH 5

### Planet Disco

Learn about the techniques used by astronomers to discover new planets orbiting far away stars.

**MNH&S: 1:30 to 2:30 p.m.**

### Irish Heritage

Have you ever wondered about the life of Irish immigrants who came to Cincinnati for refuge during the Great Irish Potato Famine? Find out what attracted them to the Queen City.

**CHM: Noon to 1 p.m.**

### Volcanoes

Watch us erupt our volcano and discover what makes these forces of nature so incredible.

**DECM: 3 to 4 p.m.**

## MARCH 12

### Planet Disco

Learn about the techniques used by astronomers to discover new planets orbiting far away stars.

**MNH&S: 1:30 to 2:30 p.m.**

### Irish Heritage

Have you ever wondered about the life of Irish immigrants who came to Cincinnati for refuge during the Great Irish Potato Famine? Find out what attracted them to the Queen City.

**CHM: Noon to 1 p.m.**

### Illuminated Letters

The Celts are known for their books of beautiful and ornate letters. Now it's your turn to illuminate a letter of your own!

**DECM: 3 to 4 p.m.**

### Cincinnati Stories\*: The First Ohioans

This program will focus on the earliest inhabitants of this region from the Paleo-Indian period, 14,000 years ago, to the first contact with European explorers/traders.

**CHM: 2 to 4 p.m.**

\* Each month, *Cincinnati Stories* will discuss an aspect of Southern Ohio history related to Cincinnati and suggest accompanying literature for the kids to do further study. Most books recommended in this program are available at the Cincinnati Public Library.

## MARCH 19

### Polar Experience

Shake the snow off your coat and learn how polar animals have adapted to stay warm in even the coldest of temperatures. Stop by the polar bear to discover these freezing facts!

**MNH&S: 1:30 to 2:30 p.m.**

### Rookwood and Pompeii Pottery

View images of pottery recovered from Pompeii and tiles manufactured by Cincinnati's famous Rookwood Pottery Company which were buried and recovered 40 years later. Learn how these pieces of pottery help those who love to investigate history, unlocking clues to our past.

**CHM: Noon to 1 p.m.**

### Volcanoes

Watch us erupt our volcano and discover what makes these forces of nature so incredible.

**DECM: 3 to 4 p.m.**

## MARCH 26

### Polar Experience

Shake the snow off your coat and learn how polar animals have adapted to stay warm in even the coldest of temperatures. Stop by the polar bear to discover these freezing facts!

**MNH&S: 1:30 to 2:30 p.m.**

### Rookwood and Pompeii Pottery

View images of pottery recovered from Pompeii and tiles manufactured by Cincinnati's famous Rookwood Pottery Company which were buried and recovered 40 years later. Learn how these pieces of pottery help those who love to investigate history, unlocking clues to our past.

**CHM: Noon to 1 p.m.**

### Illuminated Letters

The Celts are known for their books of beautiful and ornate letters. Now it's your turn to illuminate a letter of your own!

**DECM: 3 to 4 p.m.**
