

LAYERS

of nature

NOVEMBER 4, 2022

Join a wide array of experienced, young professionals and community philanthropists for Layers of Nature, an adults-only night at Cincinnati Museum Center.

We will welcome over 800 guests to enjoy an evening filled with light bites from local restaurants, creative cocktails, explosive programming and exclusive access to CMC's world-class exhibits. Plus explore two newly opened exhibits, *Made in Cincinnati* (opening Summer 2022) and *John A. and Judy Ruthven Get Into Nature Gallery* (opening Fall 2022).

All proceeds from the event support the general operating fund of Cincinnati Museum Center's Champion More Curiosity Campaign. Together, we can strengthen our community, transform young minds and launch quests of discovery.
