

How to Register for Museum Camps!

*** Registration will look different this year! There will be two parts; the initial purchase and a separate portion where you will fill out detailed waivers. You will receive a link to the detailed waiver in a confirmation email after checkout. Please read below to prepare for registration.**

You can register for Museum Camps online at <https://www.cincymuseum.org/museum-camps/>. You will need your campers primary contact information and payment information at the time of registration.

Members, please **log in** before you register to receive your Member discount and to be able to register your camper early.

Once you register, you will receive a confirmation email with a link to your campers' waivers. **Waivers must be completed through this link, in one session.** Waivers include important information such as emergency contacts, friend requests, medical information and accommodation forms. Please fill out a new waiver for each camper attending (either follow the prompt after completing the first waiver or use the original link in the email).

Here is a Step by Step guide to help you prepare for Museum Camp Registration:
